

Nanaimo, December 13th, 2014

Hi Tracey,

Thank you for performing your show at our party on September 26. We enjoyed it enormously. You are an incredibly talented performer and I could not have wished for a better show than the one you offered us and our guests.

I will be more than happy to recommend your show to any individual or organization looking for absolute good fun entertainment.

Signed,

Mia Dominguez
Managing Director / Photographer
