

To Whom It May Concern,

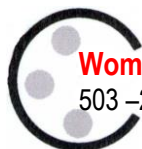

December 12, 2014

Tracey Bell hosted and performed at the Women in Film and Television Vancouver Annual Spotlight Awards held at Performance Works on Granville Island , April 30, 2014.

She was definitely the hit of the evening. Tracey was able to easily keep the audience interested, fully entertained and willingly participating at the same time. They just loved her! I had numerous comments about the success of the evening because of Tracey Bell .

Sincerely,

Lianna Walden
