**Re: Ms. Tracey Bell**

The Alberta Veterinary Medical Association had the privilege of being entertained by Ms. Tracey Bell at our annual Awards Banquet...and what a fantastic evening that was!

The show was customized for our event with Tracy first appearing on stage as Marilyn Munroe. Her job was to help our President MC the evening and she was sensational. She had the crowd laughing hysterically with her sweet little "Mr. President" act.

Tracey added a new and exciting dimension to our evening. Her interaction with the audience throughout dinner and the award presentations was non-threatening and very professional. We were all sitting on the edge of our chairs in anticipation of what she would do next.

Tracey ended the evening with an energy packed stage show that had our members in awe. Her ability to perform with such energy and professionalism is second to none. We were inspired by her magnetic power, which automatically encouraged audience participation. Additional humor and anticipation was provided with her quick costume changes.

Tracey Bell is outstanding! She is extremely talented, and provides first class entertainment in a very professional manner. Tracy would be a very deserving recipient for The Entertainer of the Year Award, an award that I recommend she be seriously considered for.

Sincerely,
