Dear Tracey,

Thank you for providing our guests such a superb performance on Tuesday last week on board the Pride of Vancouver. You and your costars were the topics of many a conversation in the days that followed!

We greatly appreciated that you were available and particularly appreciated your efforts to make the venue work so well for you. I have a number of photos that are now being distributed to those who shared the stage with you and will serve as on-going reminders of the terrific fun we had. I have enclosed a couple of shots for you also, although I imagine that you have a number of professional ones in your portfolio. Truly, you were terrific and I have already recommended you to a number of people and am looking for a way to bring you to our office so I can share the experience with all my colleagues -- Hopefully, I'll be in touch!

On behalf of our hosts -- Michael and Nikolaus -- and all their guests, thank you for your outstanding performance and your significant contribution to a very successful evening.

Very truly yours,

ARTHUR ANDERSEN LLP
