Tracey Bell

Dear Tracey:

Wow! That's the only word that I can think of to describe what went on at our Annual General Meeting in Whistler last weekend. What an amazing and talented entertainer you are!

In my wildest dreams, I could not have imagined the success story of our banquet. You single-handedly turned the program into the most record-breaking accomplishment an event planner could possibly boast about. You made everybody look good. The only problem now is, how can we ever top this year? I'm thinking I might as well pack it in right now! (But, of course, a challenge is a good thing!).

So, "thank you" hardly seems like enough to say. But, please accept our gratitude for your professionalism and your kindness. I very much hope that we can work together again very soon...and would actually like to talk to you about something completely different for next year...

I'm enclosing some photographs of the evening, which are all also on disk (compliments of Brett Cuming), so if you would like digital copies or other prints, please just let me know and we'll get you copies of whatever you would like.

Tracey – thank you very much for everything!

Warm regards,

Rochelle Winterton
