Attention: Tracey Bell

Dear Tracey,

Subject: 2004 Calgary Educational Partnership Foundation Gala – Hats of to Hollywood

Thank you so much for your performance at our 2004 fund raising gala your performance was outstanding and most definitely contributed to the success of our event. With your help and support our gala was the most financially successful one to date. The majority of our guests are senior executives within the Calgary business community and as such they have the opportunity to attend many fund raising events. Therefore, when we receive the positive feedback that we did, we know that we have satisfied a tough and much sought after customer, many of whom have already committed to returning for our 2005 event.

Tracey you did an outstanding job and I look forward to the opportunity to seeing you perform again – you are great at what you do!

Sincerely,

Doug Clovechok
