

Ms. Tracy Bell
Entertainer Extraordinaire

Tracy
Dear Ms. Bell:

On behalf of the Canadian Technical Asphalt Association's (CTAA) Local Arrangements Committee, please accept our heart-felt thanks for your performance at the Gala Dinner/Banquet at our 43rd Annual Conference. You more than lived-up to your reputation as a great performer and entertainer, even under somewhat adverse conditions (i.e., our very long-winded politician's introduction that ran about 30 minutes longer than scheduled).

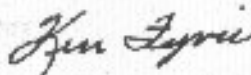

The Local Arrangements Committee members received rave reviews for an overwhelmingly successful Conference, in which you played a major role, at the Waterfront Centre in Vancouver from November 15 - 18th, 1998.

We were confident you would help add "the icing to the cake" at this, the peak event of our Annual Conference. We were not disappointed. The addition of your unique talent (and patience) and entertainment flair helped make our 43rd Annual Conference the most successful Conference we have ever had. Delegates and Accompanying Guests alike reiterated this thought throughout the entire Conference.

You played a major role in our success!

Thanks Again!

Sincerely,

Ann Ann Claggett,
Entertainment Sub-Committee Chair
