To Whom It May Concern

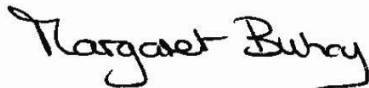

Re: Tracey Bell

Tracey was hired as an entertainer for the Insurance Brokers Association of Alberta Annual Convention held in Jasper, Alberta on May 4, 2009.

Tracey's show, which was performed at a luncheon event, was very high energy, extremely professional, and completely engaging. We received great reviews on her performance.

Would I hire Tracey again? Absolutely, I would! I have also received requests from our members looking to book Tracey for future events.

Sincerely,

Margaret Buhay
Convention Coordinator
