

RE: TRACEY BELL PERFORMANCE

The BC Pavilion Corporation just had our annual Christmas Party* on December 19, 1997, and it was a huge success! One of the main reasons why it was so successful is *Tracey Bell*. From prompt arrival to final send-off, we got a first class act!

We began the evening with Tracey, as Marilyn Monroe, greeting all of our guests when they arrived. Photos were taken of each of our staff with Tracey for them to take away as a reminder.

Tracey's performance after dinner consisted of her appearing on stage dressed as different personalities and performing to the corresponding taped music. First, there was Dolly Parton, who shed her clothes to reveal a rockin' Tina Turner. The next layer revealed the fabulous Cher who had an audience member share the stage as Sonny. All three impersonations were huge hits with our audience.

Tracey was an absolute pleasure to work with and was very willing to work with us to tailor her performance to suit our audience.

If you need some great entertainment, we recommend this act and would be pleased to speak with you about it. Please contact me directly at (604) 641-1401 if you require further information.
