Dear Tracey,

On behalf of the Production Team for the 1992 Variety Club Telethon, a big THANK YOU! for contributing your time and talents to the show.

This year, despite our challenging economic times, and competing with the Winter Olympics, we were able to raise an astounding \$3,937,748 for the special children of BC. An amazing result, made possible only through the collective efforts of everybody involved.

Your participation really made a difference; lots of enthusiasm, and lots of motivating energy felt by all! Marilyn, Cher, Sonny, and Tina, were great to have on the show... too much fun man!

Thanks again for being part of the team.... part of the backstage craziness... part of a successful 26th Annual Variety Club Telethon!

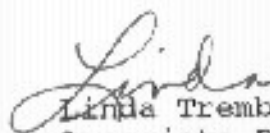

Best regards,

 IT LOVE YA!
